I want the river cleanup but I worry it will be too expensive.

If this EPA plans goes forward with a big price tag, our small companies that work on the river will never be able to afford the bills you will send them. We're asking that you please consider what the impacts on the environment but also on employers and taxpayers.

Thanks for all you're doing to protect our river. It means a lot to people who live, work and play there.

Sincerely,
